

Learning Evaluations Pricing

In early 2023, the ACE Board of Directors approved an increase to ACE Learning Evaluations annual and review fees.

The tables below outline the pricing for an ACE Learning Evaluations review and to maintain records on the ACE National Guide.

Providers utilizing the ACE Transcript will have additional subscription fees that must be paid directly to Credly. Discounted Credly subscriptions are available for badges and transcripts that have ACE recommendations.

Please contact Learning Evaluations at LE@acenet.edu with any questions.

Annual Fee Pricing

Fee	Price	Frequency	Notes
Annual Fee	\$2,400 (flat fee)	Billed annually; prorated in first year	This fee is required for all participating organizations and includes maintenance of records on the ACE National Guide, publication to Credential Engine's Credential Registry , and ongoing support services for learners and providers.*

Course or Exam Review Fee Pricing

Fee	Price	Frequency	Notes
Review Readiness Fee	\$11,000 (first-time review) \$9,000 (subsequent reviews)	Billed upon receipt of fully signed review order form	This fee covers administration and project management required to prepare for a successful review.
Per Course/Exam Fee	\$1,400 per course/exam (virtual) \$1,900 per course/exam (onsite)	Billed at the conclusion of each review	This fee covers all direct costs and ongoing project management, including faculty subject matter expertise and advising sessions with ACE Learning Evaluations. Onsite reviews are available but may incur additional costs for travel.

*To provide flexibility during this change, organizations that have existing ACE recommendations can expect a graduated transition schedule. Participating organizations will receive advanced notice of their implementation date.

Apprenticeship Review Fee Pricing

Fee	Price	Frequency	Notes
Review Readiness Fee	\$11,000 (first-time review) \$9,000 (subsequent reviews)	Billed upon receipt of fully signed review order form	This fee covers administration and project management required to prepare for a successful review.
Per Program Year Fee	\$19,000 per program (up to two years) \$4,000 for each additional year per program	Billed at the conclusion of each review	This fee covers all direct costs and ongoing project management, including faculty and industry subject matter expertise and advising sessions with ACE Learning Evaluations. Onsite reviews are available but may incur additional costs for travel.

Additional Services

Fee	Price	Frequency	Notes
Conditional/ Technical Reviews	\$3,500 review readiness fee \$800 per course/exam fee	Billed at the conclusion of each conditional/technical review	Results from an ACE review may require additional information or added content before qualifying for a credit recommendation. If the results of a review are conditional, you will be notified in writing. Technical reviews are available for organizations that made substantial changes to their curriculum or assessment model within the credit recommendation period and want to request a reassessment of credit alignment.
Competency Reviews	\$11,000 review readiness fee (first-time review)/\$9,000 review readiness fee (subsequent reviews) \$1,400 per course/exam (virtual)	Billed at the conclusion of each competency review	Competency reviews provide recommendations that include workplace competencies and document the skills mastered during a course or demonstrated through an exam. Competency recommendations can also be added to a standard course, exam, or apprenticeship review for \$250 per course/exam.
