Florida International University

Presented at the Annual Meeting of the
ACE Internationalization Collaborative
February 5th, 2010
Arlington, VA

Global Learning *for* Global Citizenship

FIU's Quality Enhancement Plan (QEP)

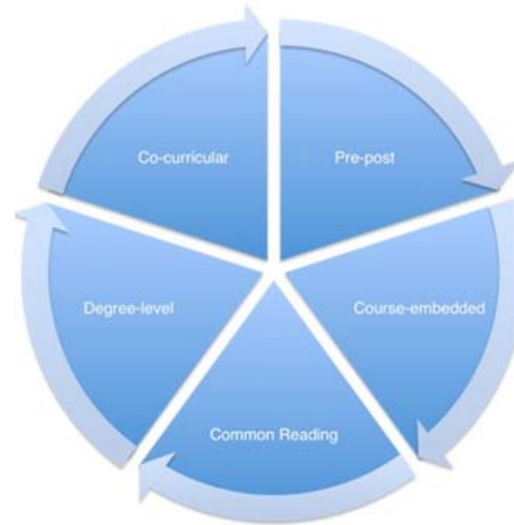

Text

New courses and activities will help you become a global citizen and prepare you for success in the global marketplace.

The Big Picture

What are the student learning outcomes?

In which contexts will student learning be assessed?

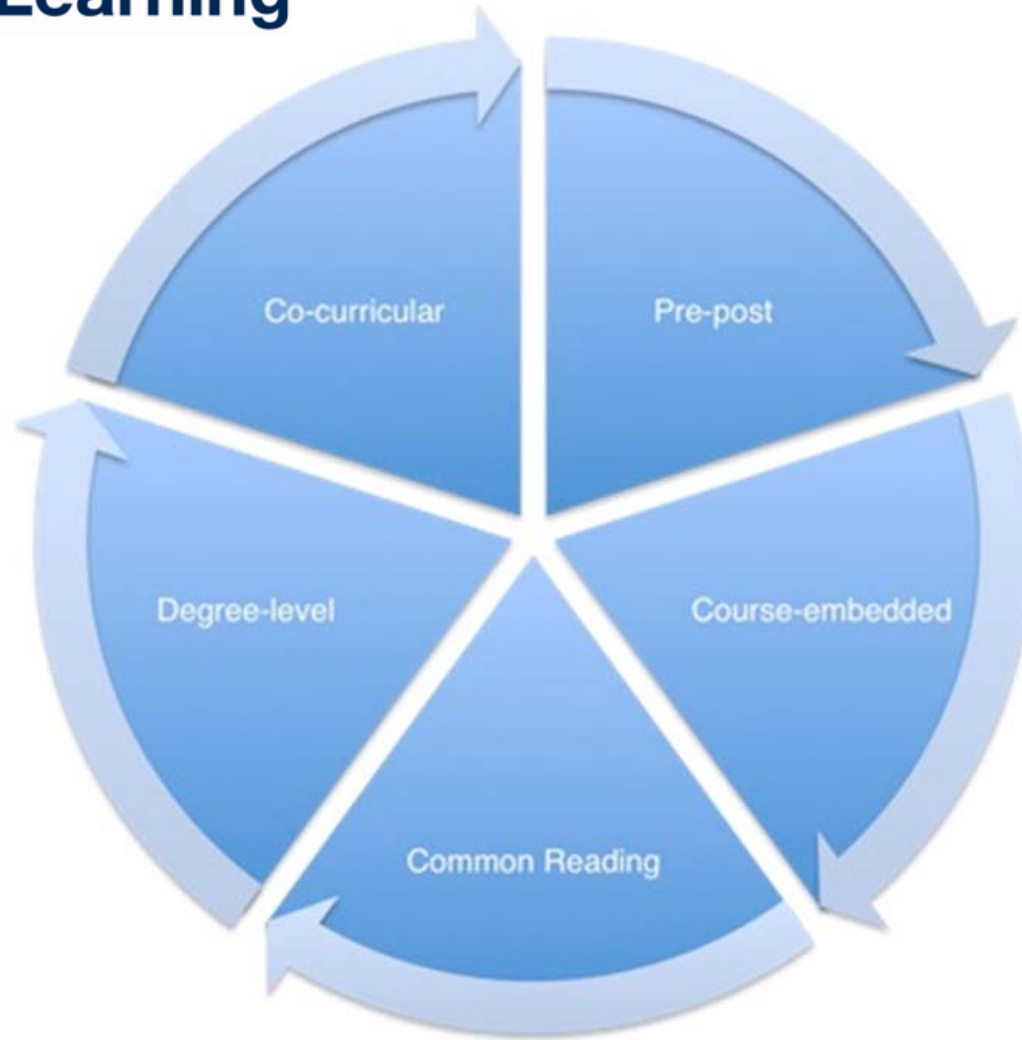

What is the relationship between program goals/assessment and student learning outcomes/assessment?

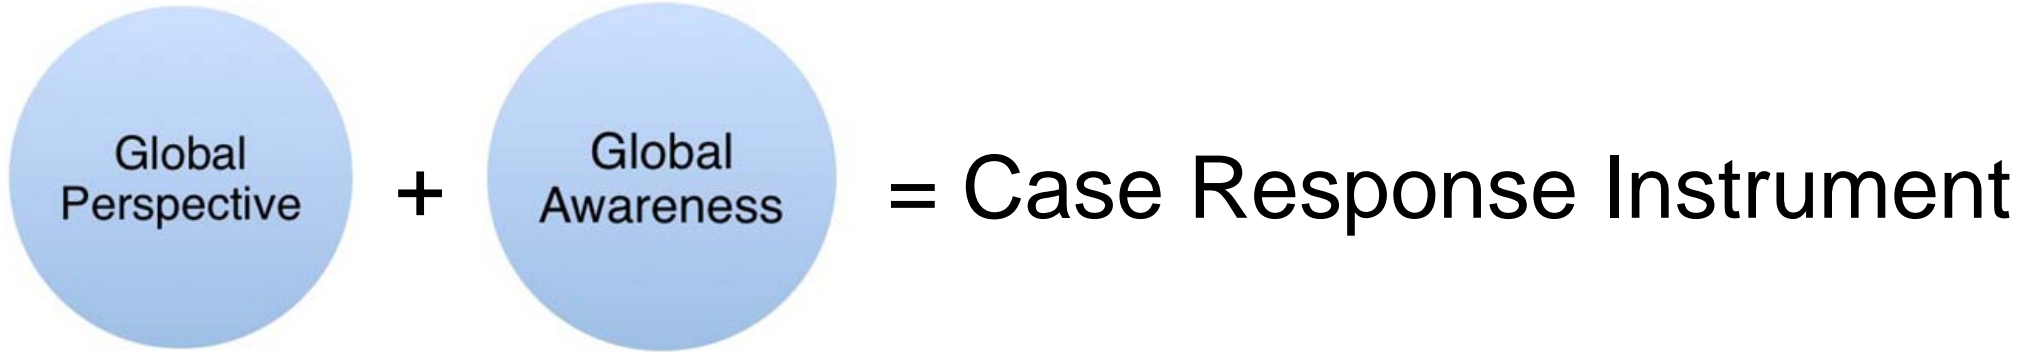

Essential Questions

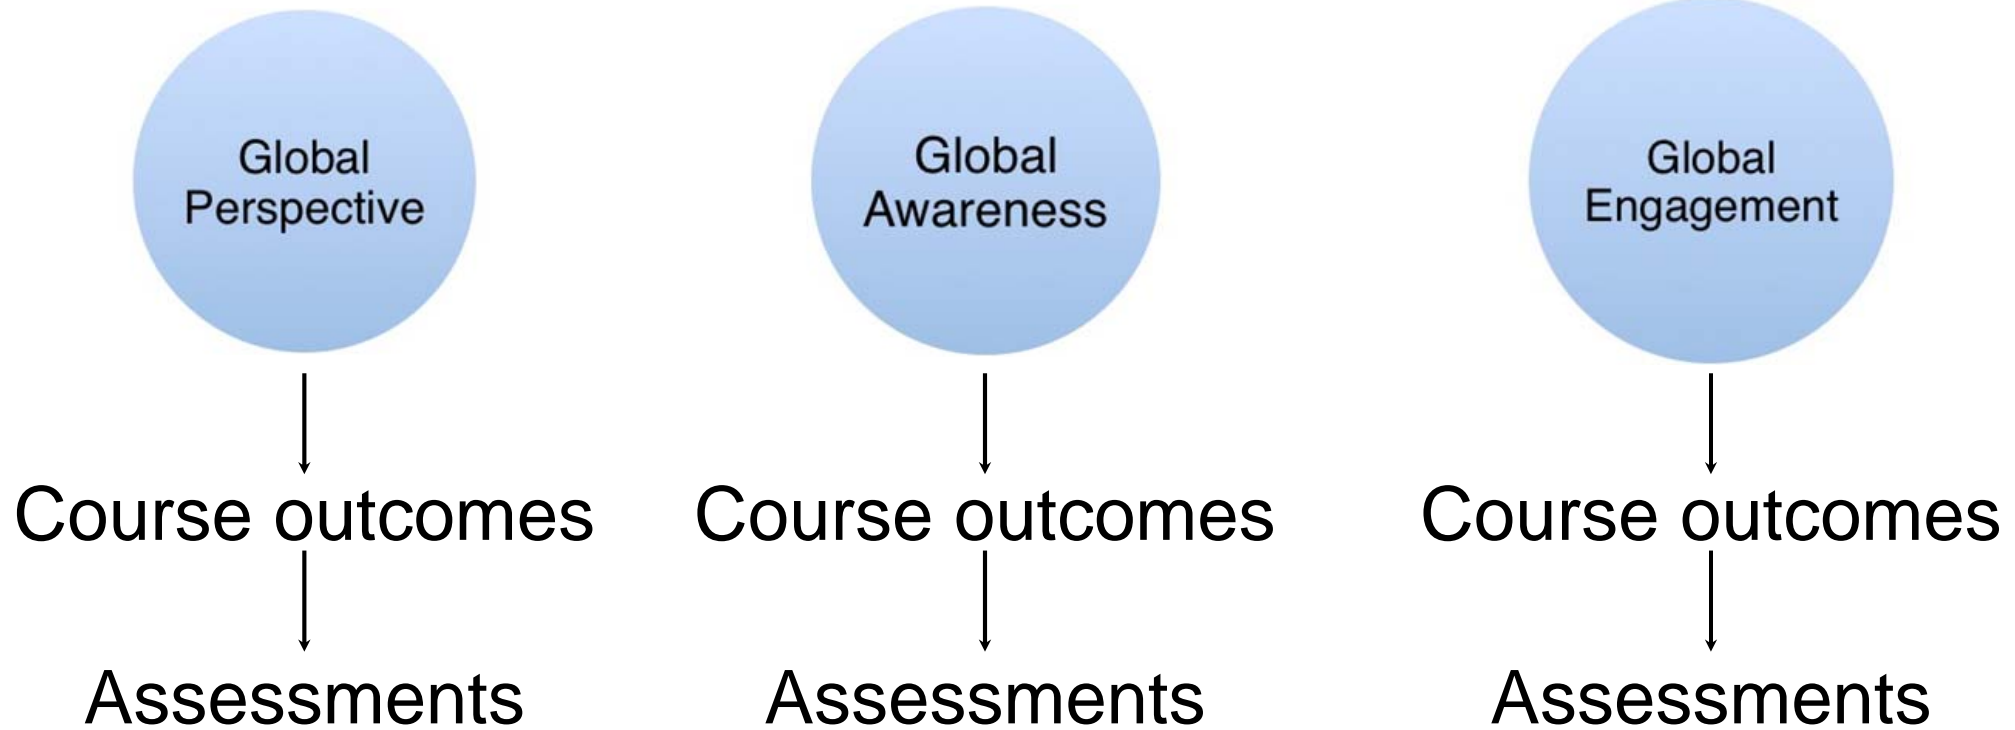

What are the student learning outcomes?

In which contexts will student learning be assessed?

Pre-post Assessments

Course-embedded Assessments

Embedded Question

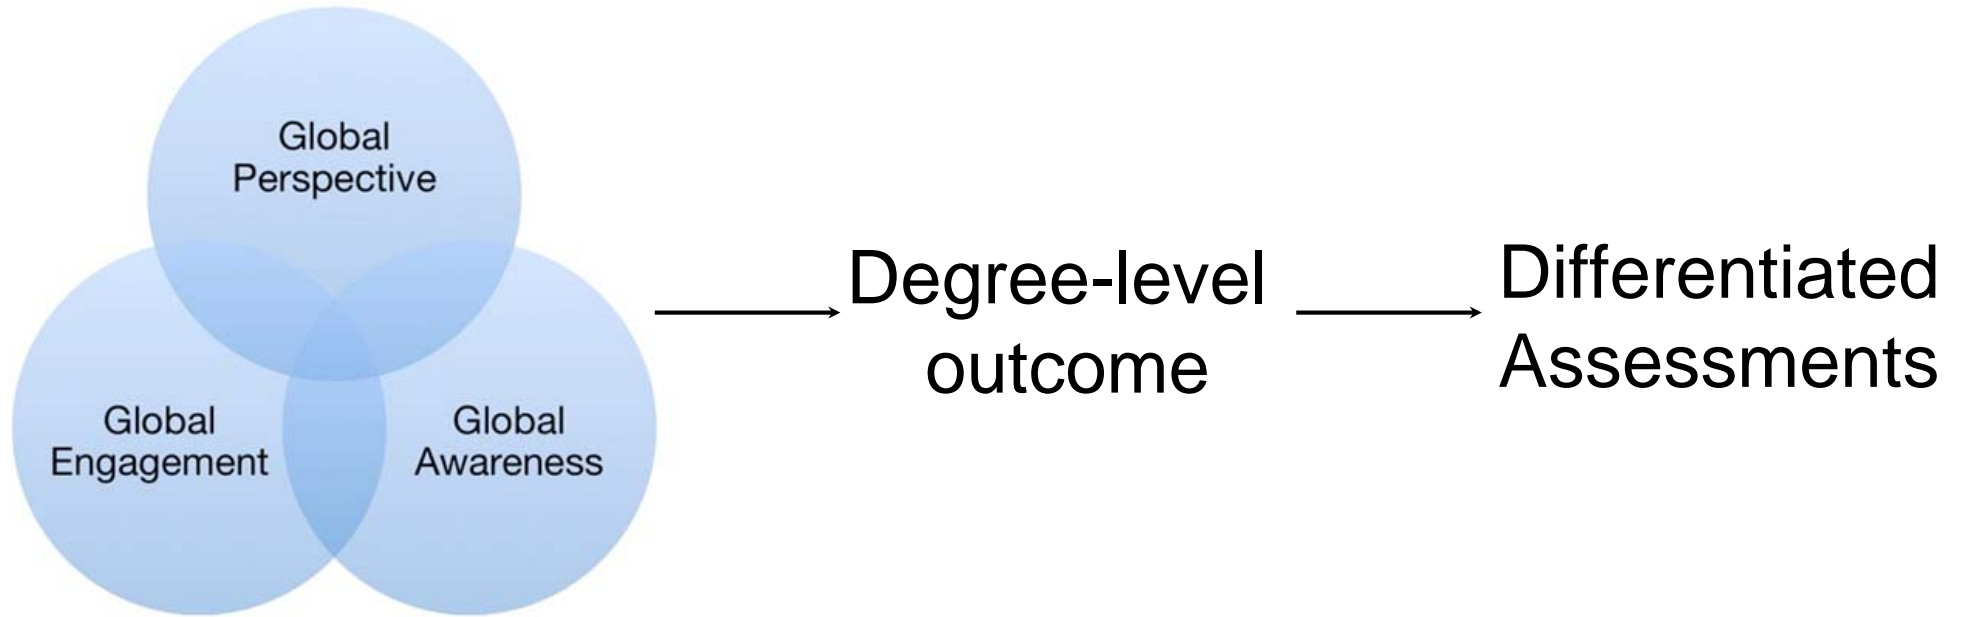

Embedded Question

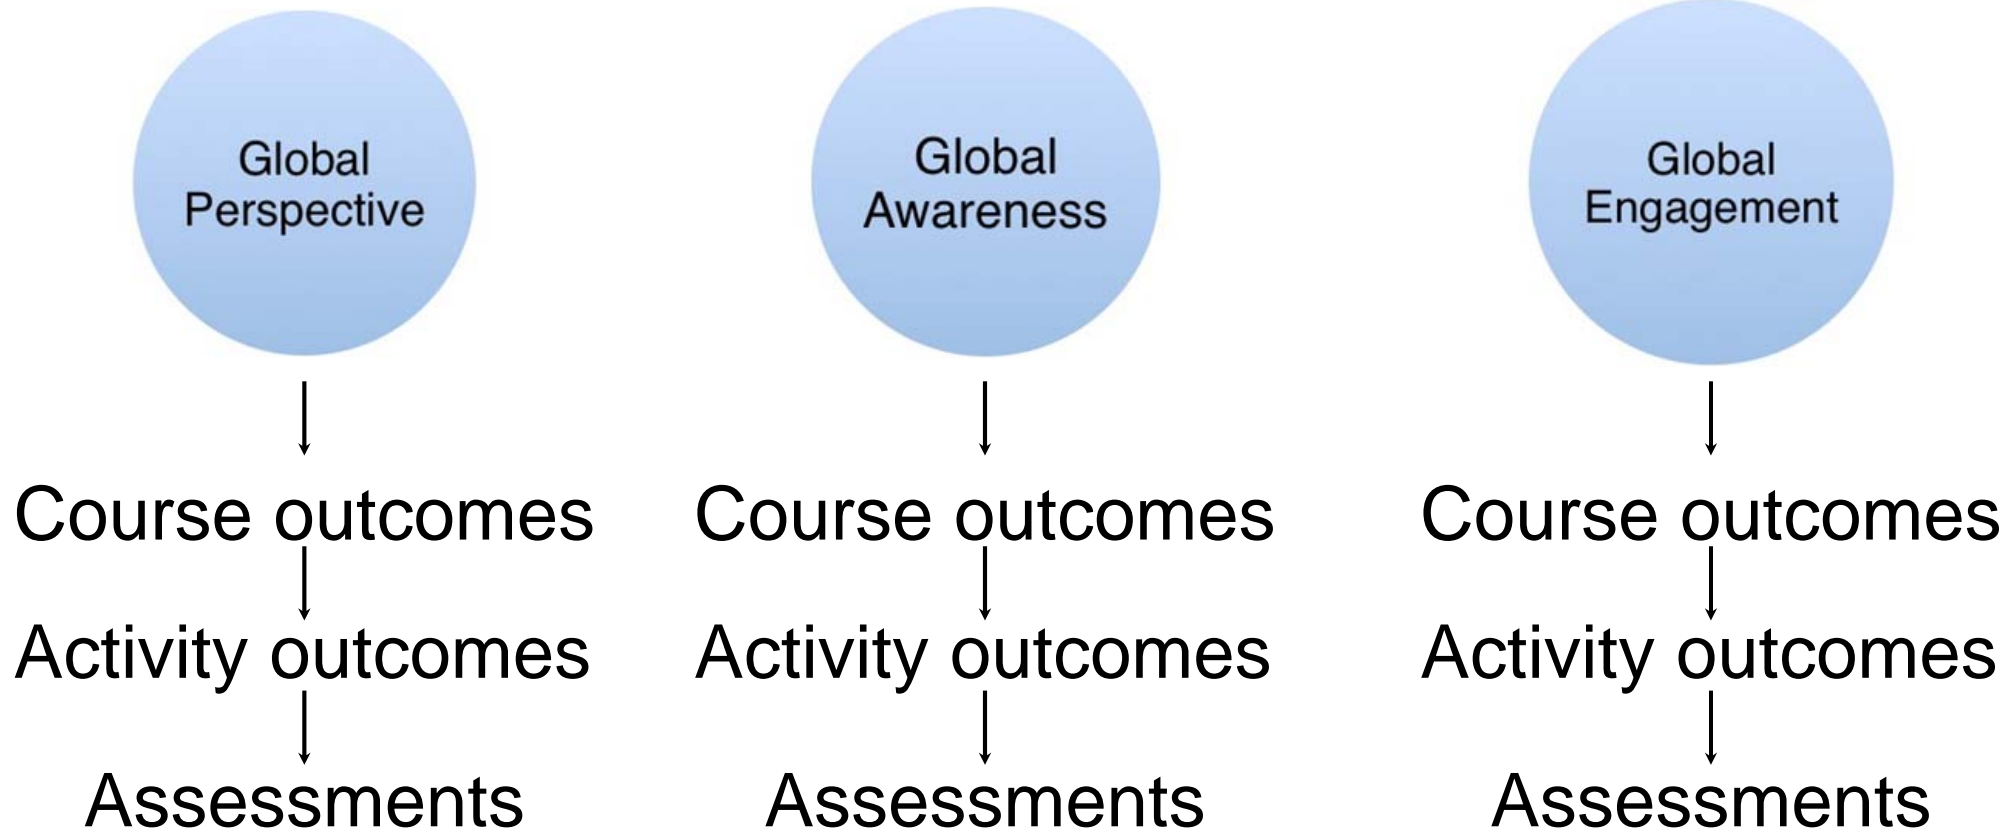

Embedded Question

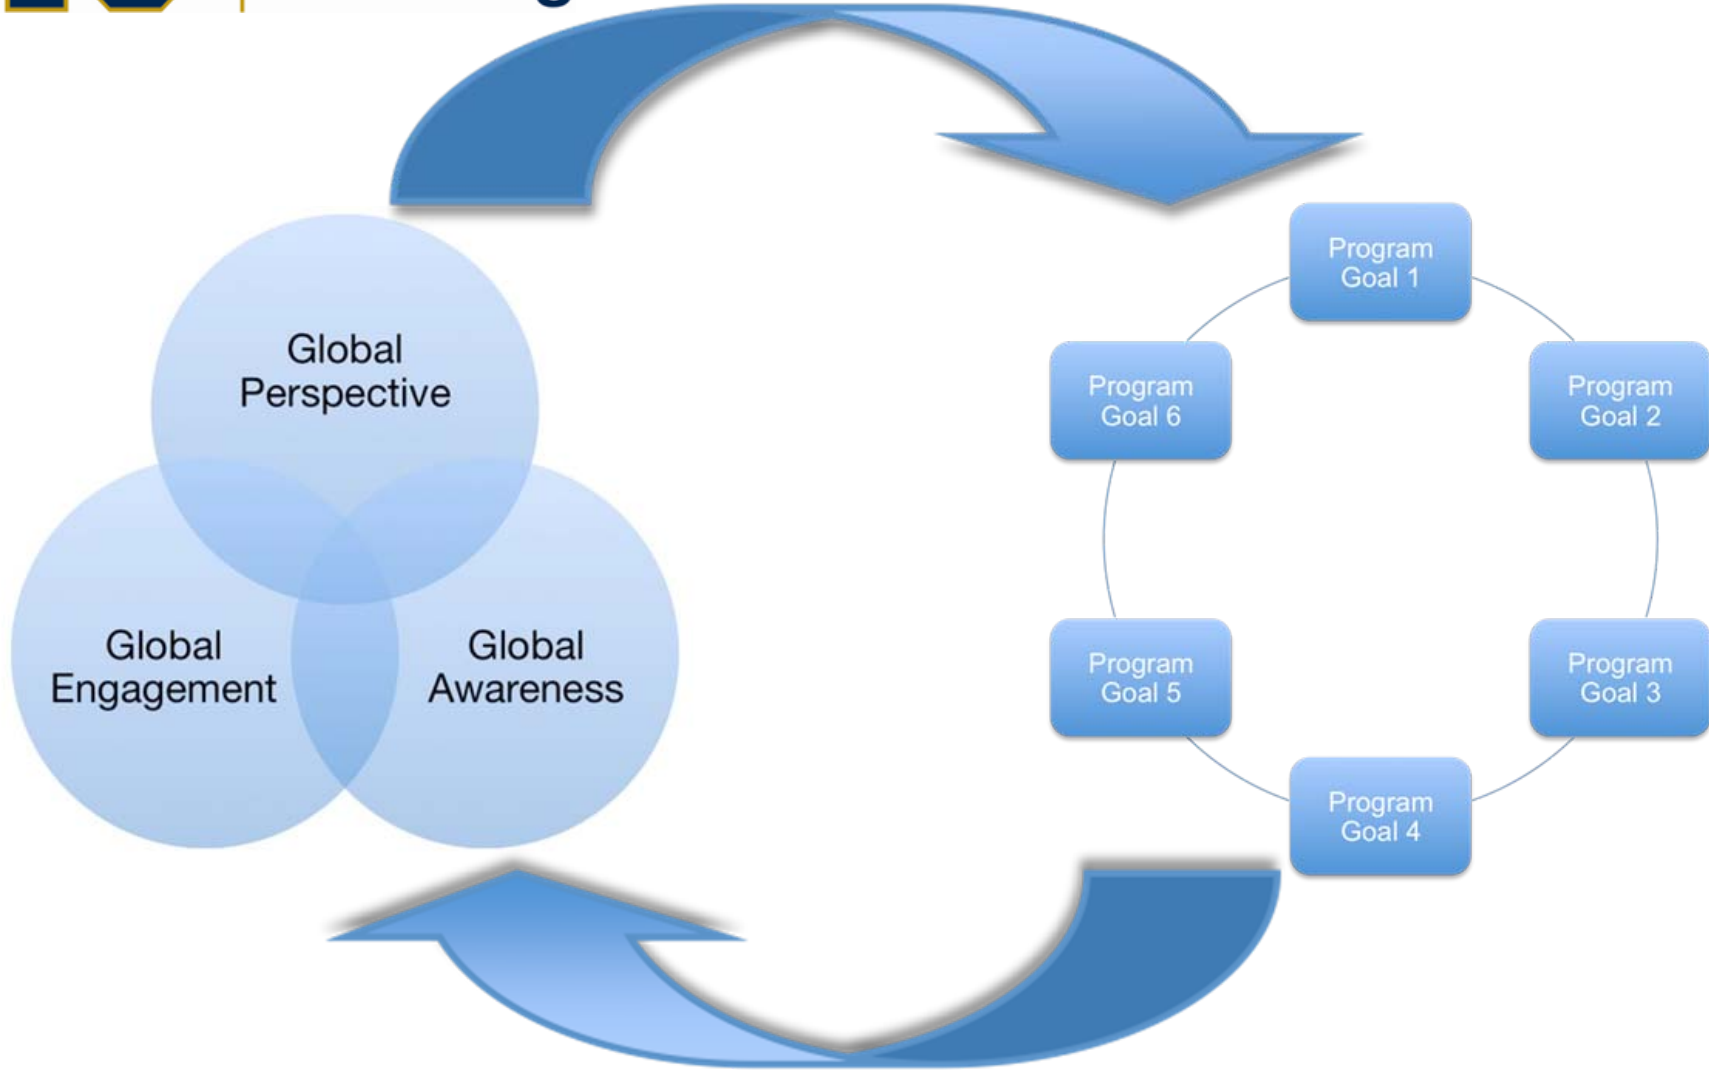

Common Reading Assessment

Degree -level Assessment

Co-Curricular Assessments

Reciprocal Relationship between
Program Goals and SLOs

1. Provide global learning opportunities across the undergraduate curriculum
2. Monitor the content, quality, and effectiveness of the global learning curriculum
3. Provide faculty and staff development for global learning
4. Provide undergraduate co-curricular global learning opportunities
5. Publicize global learning at FIU
6. Provide resources necessary to support the QEP

Program Goals
