Office of the President

Kevin M. Ross
President, Lynn University
3601 North Military Trail
Boca Raton, FL 33431

Dear President Ross:

Like millions of Americans, I have followed closely the developments regarding members of the Lynn University student body and faculty in Haiti. The entire higher education community shares your joy and relief at the safe evacuation of eight students. At the same time, we hold the four students and two faculty members still unaccounted for in our prayers, along with their families and the entire Lynn community.

As you guide your campus through this difficult time, please know that the American Council on Education stands ready to assist you in any way we can.

Sincerely,

A handwritten signature in cursive script that reads "Molly Corbett Broad".
