

THE MOST COMPREHENSIVE ONLINE RESOURCES FOR YOUR STUDENTS, ALL IN ONE PLACE

 ACT[®]

Aligning educational resources to your classroom learning objectives just got easier with ACT[®] Academy[™], a free, online instructional content platform for students and K12 educators from the college and career readiness experts at ACT[®].

ACT Academy includes:

- FREE online ACT test prep for students with personalized, self-guided plans based on test results from the PreACT and the ACT. Official ACT practice tests are included.
- The ACT Academy “smart library” of resources **accurately aligns content to learning goals that can be personalized to each student or the whole classroom.** Discover your students’ strengths and challenges through assessments, giving them access to the most relevant, effective content they need at just the right time.
- Over 500,000 of the best educational videos, games, assessments, homework assignments, and lesson plans, all in one place and seamlessly integrated into your school’s instruction.

“ My students love the lessons and ask for them, and they fully grasp the concepts when they learn them this way. Since using these resources, I’ve seen significant academic growth in my students. ”

- Clarissa Ratliff, Reading Teacher, Mississippi

HOW ACT ACADEMY WORKS FOR STUDENTS

ACT Academy is a free online learning tool that includes test practice resources designed to help students master the skills they need to improve their ACT scores and succeed in college and career.

Here’s how it works:

1. Create an account @ act.org/academy
2. Explore resources for K-12 subjects or for ACT prep
3. Take quizzes on targeted subjects to test your knowledge
4. Track your scores and practice on the areas you need help in
4. Check in daily and follow the recommended steps for improvement

Better access, smarter content

ACT Academy supports access for all students, including additional supports for English language learners and students with disabilities, including:

- A closed captioning option on 250,000 videos
- Text increase and contrast for the visually impaired
- Answer masking and highlighting

HOW ACT ACADEMY WORKS IN YOUR CLASSROOM

ACT Academy is designed to integrate easily and seamlessly with your existing learning management system.

Here’s how it works:

1. Teachers assign ACT Academy homework content and quizzes to students.
2. Students complete assignments, and their individual performance and progress appears on a mastery chart.
3. ACT Academy uses advanced algorithms powered by best-in-class machine learning to find relevant instructional content for each student or classroom, based on homework and quiz results. The content is designed to help with remediation and mastery of subject areas.
4. Educators can track students’ progress, receive detailed results, and assign further resources recommended by ACT Academy and tailored to students’ areas of need.

The web’s best instructional resources

ACT Academy’s resource library includes content from:

- **GeoGebra** – Dynamic mathematics software for all levels of education
- **PBS** – Content designed to improve teacher effectiveness and student achievement
- **Khan Academy** – Instructional videos on virtually every course subject
- **Crash Course** – Games and video on a variety of advance placement (AP) courses
- **Flocabulary** – Learn English, math, history, and other subjects through music
- **And thousands more**
