Re: Endorsement of the American Opportunity Tax Credit Permanence and Consolidation Act of 2012 (S. 3267)

Dear Senators Schumer, Kerry and Menendez:

On behalf of the American Council on Education and the undersigned higher education associations, I write to strongly endorse the American Opportunity Tax Credit Permanence and Consolidation Act of 2012 (S. 3267), which will make a number of important reforms to the American Opportunity Tax Credit (AOTC) and Lifetime Learning Credit benefiting middle class families.

The bill significantly improves the current AOTC and Lifetime Learning Credit by consolidating them into one simplified, permanent AOTC that will provide up to \$3,000 per year in tax relief for middle class students and their families. In addition, the act incorporates the expanded eligible expenses of the current AOTC, increases income phase-out thresholds, and replaces current limits on the number of years a student can utilize the AOTC with a \$15,000 lifetime cap. Moreover, in steps that will particularly benefit low- and moderate-income students, the act maintains the 40 percent partial refundability of the current AOTC and better coordinates the interaction of the credit with the Pell Grant, making postsecondary education more affordable.

We strongly support this reform of current tax incentives to create a simpler, consolidated higher education tax credit that provides assistance toward a baccalaureate degree, post-baccalaureate education and lifelong learning. As a result, we believe the act would create a stronger, more effective tool for increasing access to college and advancing President Obama's goal to increase college completion.
