Python Data Analysis  
Issued by: Lincoln Technologies  
Issued to: Jennifer Chang  
Issued on: 6 February 2023

**Description:** Earners of this credential have learned the fundamentals of data analysis while building Python skills. They have been exposed to basic data cleaning and prep while using libraries like Numpy. The course includes case studies, capstone projects, and a series of teachings for hypothesis testing.

American Council on Education  
Course Number: ACE-0001 (v.1) Total Credits: 3 Grade: Pass  
Credit Recommendation:

- 3 semester hours in Introduction to Python in the lower-division undergraduate category

**Competencies:**

- K0111: Knowledge of common network tools (e.g., ping, traceroute, lookup)
- K0117: Knowledge of file system implementations (e.g., New Technology File System [NTFS], File Allocation Table [FAT], File Extension [EXT])
- K0373: Knowledge of software applications (e.g., data storage and backup, database applications) and their vulnerabilities
- K0395: Knowledge of computer networking fundamentals (i.e., computer components of a network, types of networks, etc.)

## 1. Header

The header section will feature standard information including the Pearson-Credly logo, American Council on Education (ACE) logo, official transcript title, and transcript issued date.

## 2. Issued For

This includes unique student identification information used to verify identity and match to existing student records. The section includes the learner's name, Credly account ID, Credly account digital wallet profile URL, email address, and date of birth (optional).

## 3. Credential Summary

The credential summary section includes a list of verified credentials issued to the learner. Use this section to assess program alignment with your institution's offerings. Evaluation for transfer credit is recommended based on your institution's transfer credit policies.

## 4. ACE Credit Recommendations

These will be included for each credential reviewed by ACE. These recommendations will include the total credits recommended, active term dates, ACE course number, and clickable links to the National Guide for additional details.

## ACE TRANSCRIPT LEGEND

The ACE Transcript is an official transcript that contains credentials evaluated by the American Council on Education (ACE). The following policies apply only to ACE-endorsed credentials within the transcript. ACE Learning Evaluations connects workplace learning with colleges and universities by assessing the quality and equivalency of nontraditional experiences. ACE's recommendations are intended to guide institutional decisions about the award of credit for prior learning.

ACE Learning Evaluations reviews are conducted by experienced college and university faculty who assess the content, scope, and rigor of an organization's educational program and make appropriate recommendations for comparable college credit and competencies achieved by learners. For more information on processes and standards for ACE reviews, visit <https://www.acenet.edu/Programs-Services/Pages/Credit-Transcripts/Colleges-Universities.aspx>.

### DEFINITIONS

**Issued On:** The date when the learner completed the associated credential.

**Issued For:** The learner's legal name as entered by the learner at the time of transcript request.

**American Council on Education Endorsement:** Credentials that carry an ACE endorsement of recommended college credits or validated competencies published on the ACE National Guide.

**Course Number (ACE ID):** ACE assigns a unique identifier to ACE-endorsed credentials (e.g., ACE-0001 (v.1)). The letter prefix designates the organization providing the experience. Version number is based on the date that the credential was earned.

**Credit Recommendations:** Contain academic subject area(s) recommended for credit aligning to a college course. Credit recommendations are designated in semester hour units (SH). Levels at which recommendations are issued include vocational/certificate, lower division (100–200 level courses), upper division (300–400 level courses), and graduate (500+ level courses).

**Competencies:** These competency statements are from recognized, industry-approved frameworks, and have been validated by the faculty team as outcomes demonstrated by learners who successfully complete the evaluated learning experience. They represent workplace-relevant skills, knowledge, and abilities expected of professionals in corresponding industries.

**Grade:** ACE-endorsed credentials are only included on this official transcript if the student achieved a passing grade. ACE-endorsed courses and exams meet the following minimum grading requirements: Students must earn a minimum grade of C for vocational/certificate, lower division, and upper division credit and a minimum grade of B for graduate-level credit. The credential provider might also supply the learner's actual grade under Evidence in the Learner's badge. Click on the Credential Title to access the badge issued to the learner.

### RESOURCES

Additional information on ACE-endorsed educational programs, such as learning outcomes, assessment methods, etc., can be found in the ACE National Guide at <https://www.acenet.edu/national-guide/>. Military training and occupations that carry college credit recommendations can be found in the ACE Military Guide at <https://www.acenet.edu/Programs-Services/Pages/Credit-Transcripts/military-guide-online.aspx>.
