The ACE Internationalization Laboratory is a collaborative, inclusive learning community led by a team of internationalization experts with a wide range of backgrounds and experience that supports institutions in developing capacity, agility, and strategic vision for equitable comprehensive internationalization.

**BENEFITS**

- Focus on equity-minded leadership, data-informed decision-making, agility, and transformation.
- Work closely with and receive customized guidance from ACE internationalization experts throughout the program.
- Assemble an internationalization leadership team.
- Take stock of and analyze current global engagement across all institutional areas.
- Formulate a strategic action plan to take internationalization efforts forward.
- Benefit from outside assessment and collaborative learning evaluation of your institution’s current and intended internationalization practices and policies.
- Receive on-campus site visits by ACE staff and participate in three meetings of the entire Lab cohort, hosted by ACE in Washington, DC.
- Access a wide array of resources on ACE Engage® and Internationalization Lab learning modules.

**ABOUT ACE’S MODEL**

The ACE Model for Comprehensive Internationalization is a strategic, coordinated framework that seeks to align and integrate policies, programs, initiatives, and individuals to position colleges and universities to be more globally oriented and internationally connected.
