

# e-learning

## Learn the Fundamentals of College Access & Success Online

NCAN strives to help more individuals gain the knowledge they need to provide college access and success advising to low-income and underrepresented students. The e-learning platform **Fundamentals for College Access & Success Providers** helps achieve that goal. Topics include college admissions testing, financial aid, cultural competence, and support for target populations such as homeless youth. See the full content outline on the reverse side.

### Why incorporate e-learning into your organization?

- Modules are:
  - Segmented by topic
  - Delivered in convenient 30- to 120-minute segments
  - Self-paced and asynchronous
  - Available year-round, on demand, to anyone with an Internet connection
- Content is vetted by NCAN and reflects evidence-based practices
- Technology incorporates best practices for online learner engagement
- Pre-and post-assessments measure content mastery
- Information is perfect for new advisors or volunteers
- Units contain resource documents to use with students and families
- **NEW!** Badges acknowledging successful completion of modules

### Cost

The platform is available for **free to all NCAN member organizations during 2017-18** (up to 100 employees per member organization). Non-members pay just \$39 to \$119 per unit depending on unit length. Some select units are free to all. To learn more or register to use the platform, visit:
